**WHEREAS**, pursuant to 725 ILCS 5/110-14(c) a person subject to bail on a Category B offense shall have \$30 deducted from his or her "monetary bail" every day the person is incarcerated.

**WHEREAS**, 725 ILCS 5/110-14(c), in using the term "monetary bail," does not explicitly state whether the \$30 a day credit shall be applied to a qualifying defendant's bail amount as set by a court or the 10% cash bond amount to be supplied by a defendant or a surety to secure a defendant's pre-trial release.

**WHEREAS**, in order to ensure the rights of defendants charged with category B offenses in Kane County, it is necessary to have 725 ILCS 5/110-14(c) applied in a consistent manner.

**IT IS HEREBY ORDERED**, that a person subject to bail on a Category B offense shall have \$30 deducted from his or her 10% cash bond amount every day the person is incarcerated.

**IT IS HEREBY ORDERED**, that at a defendant's initial bond call the bond call order shall reflect the date upon which the \$30 a day credit is to commence, the defendant's arrest date.

**IT IS HEREBY ORDERED**, that the sheriff shall calculate and apply this \$30 per day reduction and send notice to the circuit clerk if a defendant's 10% cash bond amount is reduced to \$0, at which point the defendant shall be released upon his or her own recognizance.
