

Press Release; New Circuit Clerk Mobile App

New Mobile App Makes Kane County Circuit Clerk Office Information Easier for Customers to Access

FOR IMMEDIATE RELEASE

St. Charles, IL – August 26, 2026 – Kane County Circuit Court Clerk Theresa Barreiro is pleased to announce the launch of its new mobile app, designed to give customers quick and convenient access to important office information from their mobile devices.

The new app provides customers with an easy way to find essential information about the Circuit Clerk's office, including contact details, hours of operation, services offered, directions and other helpful resources all in one convenient place.

"We are excited to introduce this new app as another way to make it easier for our customers to connect with us and find the information they need," said Theresa Barreiro, Kane County Circuit Clerk. "Our goal is to provide a simple, convenient and accessible experience for everyone."

Customers can use the app to stay informed, access office resources, and find important updates without having to search through multiple sources.

The app is now available for download on Apple and Google app store.

The Kane County Circuit Clerk is committed to providing customers with reliable information, quality service, and convenient ways to access the resources they need.
